2H	Luna-Rain C	Bowie R
2K	Daniel S	Howie B

Lunchtime  
Award

Nicolas J

Headteacher's  
Award

Aqsaa R

Kindness  
Cup

Olek S

# OUR LEARNING

## NURSERY

This week in Nursery we have started our new topic 'People Who Helps Us'. We have been discussing about the different types of people that helps us such as the police, fire-fighters, doctors, dentist etc. We can't wait to learn more about the people who helps us. We also have been learning about St. George's Day. We read the story 'Saint George and the Dragon' and made our own shields!

## RECEPTION

What a 'Roar-some' week! The children have had a fantastic week, with a visit from 'Jam' the T Rex. We learnt what he would have eaten in Pre-historic times, whilst watching how he was moving and trying to dodge him while he hunted us down. We additionally celebrated St George's Day, learning all about George's heroic conquering of the dragon to save the princess. We had our own game of Knights and Dragons too!

# OUR LEARNING

## YEAR 1

Year 1 have worked really hard on our first week back. We celebrated St George's Day on Tuesday by making our own dragons. We have started reading and writing about our new Literacy book 'Toys in Space'. Finally, we have been measuring objects in our classroom using cubes in our maths work.

## YEAR 2

Year 2 have had a busy first week back in school. We have celebrated St George, started to look at how wonderful our world is in Geography and written persuasive letters about endangered animals. In maths, our focus is fractions - we can identify equal and unequal groups and have starting working on recognising half.

# OUR LEARNING

## BRIDGE CENTRE

In The Bridge Centre, we also have had a busy first week back in school. We have started to look at how wonderful our world is in Geography and written persuasive letters about endangered animals.

In maths, our focus is fractions - we can identify equal and unequal groups and have starting working on recognising half.

We have also visited Canalside and spent time pond dipping, looking for a rare species of Newt. Very exciting!

## RAINBOW ROOM

We have had a great first week back in the Rainbow Room. We made a blossom tree using a paper tube and tissue paper - we got very sticky! We also used our fine motor skills to make the different missing parts on our minibeasts place mats, using playdough. We started a new intervention this week called Write Dance, we made lots of marks on a large piece of paper whilst listening to Nursery Rhymes. We have carried out our daily interventions PECS, workstations, individual speech and language programmes, Phonics and Attention for Learning.
