There is an expectation that children are in school everyday!

Education is not optional! There is an expectation that children are in school everyday!

Message from Mrs Crompton

We will be holding our first enterprise market straight after school on **Tuesday 26th March 3.20pm in the hall**. This term the children have been busy in their enrichment clubs creating something to sell at the market place. **The idea is that you collect your child and come into the hall to find your child's enrichment club stall**. There you will be able to buy something that your child has created in their club. The money raised will be used to fund exciting enrichment activities in school for your child so we would really appreciate your support with this event. There will also be the opportunity to buy raffle tickets and the chance to win some easter goodies, money from the raffle will be used to buy items for the cancer bank. We look forward to seeing you there!
