Message from Mrs Crompton

One month into the new school year has flown by! All the children are very settled, working hard and enjoying their new learning and experiences across the curriculum. Mrs Hughes has been working on the Personal

Development of our school offer. Together with the staff, we have created

‘Our Personal Development Promise’. Every child that comes through our school will receive the Personal Development offer below, which builds their social, moral, spiritual and cultural development, with a focus on fundamental British values, protected characteristics and the values that are important to have as good people in society.

Education is not optional! There is an expectation that children are in school everyday!

PENALTY NOTICE FINES FOR SCHOOL ATTENDANCE IS CHANGING

1 FIRST OFFENCE

The first time a Penalty Notice is issued for Term Time Leave or irregular Attendance the amount will be:

£160 per parent, per child if paid within 28 days
Reduced to £80 per parent, per child if paid within 21 days.

2 SECOND OFFENCE (WITHIN 3 YEARS)

The second time a Penalty Notice is issued for Term Time Leave or Irregular Attendance the amount will be:

£160 per parent, per child to be paid within 28 days. No reduced rate will be offered.

3 THIRD OFFENCE AND ANY FURTHER OFFENCES (WITHIN 3 YEARS)

The third time an offence is committed for Term Time Leave or Irregular Attendance a Penalty Notice will not be issued, and the case will be presented straight to the Magistrates' Court. Magistrates' fines can be up to £2500 per parent, per child. Cases found guilty in Magistrates' Court can show on a Parents future DBS certificate, due to failure to safeguard a child's education.

10 SESSIONS (5 DAYS) OF UNAUTHORISED ABSENCE IN A 10-WEEK PERIOD

Penalty Notice Fines will be considered when there has been 10 sessions of unauthorised absence in a 10-week period.

The following changes will come into force for Penalty Notice Fines issued after **19th August 2024.**

There is an expectation that children are in school everyday! Here is this week's attendance and lates.

MENU

Dear Parents/Carers,

As the invite for the new Autumn/Winter Menu has become available, it is really beneficial you spend a few minutes with your child/children reading through each day for each week of the school menu and complete your child's school lunch choices online. The school menu runs over a 3 weekly cycle.

If your child chooses to bring a packed lunch from home you do not need to complete the choices online.

Nursery Am or PM children do not need to complete the school menu unless your child tops up.

For all those that have already completed their child's menu - many thanks in advance.

The closing date for completing the school menu online is Friday 4th Oct 2024 @ 9.00am, please complete by this date.

Many thanks in advance for your continued support.

Let's have a look at this week's poster!

23rd - 29th September 2024

Let's look at this week's story

The people on the poster are students, who are learning in a classroom without a teacher. It has been in the news that the first classroom without a teacher has opened at a school in London. The children, who are doing their GCSEs, will be taught in this classroom by computers that have AI (artificial intelligence) and VR (virtual reality) headsets.

Think about: What do you think about a classroom without a teacher? Do you think it's a good idea? What would be good about it? What do you think could go wrong? What do you know about AI and VR headsets? Do you know anyone who has a VR headset? What is it like to wear one? When you are older, would you like to learn in a classroom without a teacher? Why?

What is asthma?

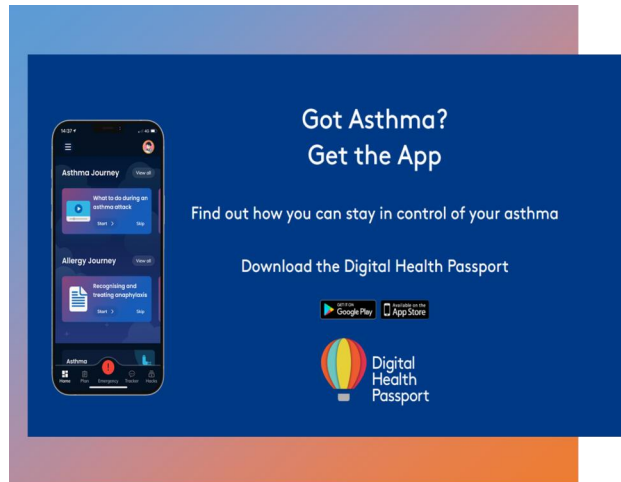

Asthma is a long term health condition that affects the airways

It affects 1/12 adults and 1/11 children-that is 2-3 children in each class.

For those affected when they come into contact with a trigger, the muscles around their airways become tight and the lining becomes swollen and inflamed narrowing the air passage (imagine diameter of a hose pipe reducing to a straw)

The development of mucus or phlegm further reduces the airway and the persons ability to move air in and out of the lungs, for further information - please use the below QR code to download the app.
