

Autumn 2 Homework Grid

Communication, Language and Literacy

Talk about some of your favourite Traditional Tales with a grown up. Can you identify the good and bad characters and what happens in the story?

Personal, Social and Emotional

In PSHE we have been looking at different types of feelings and expressions. Can you show your grown up the different feelings we might feel? Draw the different feelings in your homework book (angry, sad, happy etc).

Writing

Write your name in your homework book. Can you write it independently? Make sure you're writing your letters correctly. Remember our writing rhymes!

Maths

Go on a shape hunt with your grown up. What things can you see that represent a shape? Draw the items into your homework book.

Creative

Draw the characters from your favourite Traditional Tale. If you can, label the characters. Can you hear the initial sounds or any sounds in sequence?

Physical Development

Make a Christmas decoration to hang up in our classroom. This can be something to hang on our wall or on our Christmas tree.
