

Spring 2 Homework Grid

Feelings

What can you find on a farm...?

Communication, Language and Literacy

Sing your favourite Nursery rhymes with a grown up and talk about them.

Read a story every night before bedtime with a grown up- can you talk about the book and what happens?

Personal, Social and Emotional

Talk to a grown up about how to keep yourself healthy.

Can you make a healthy snack?

Mark Making

Can you draw your favourite farm animal?

Which colours do you need to use?

What sound does the name of the animal begin with?

Can you write this?

Maths

Look around your house-

Can you find big and small objects?

Can you find short and long objects?

Can you find light and heavy objects?

Creative

Can you build a model farmyard with a grown up?

Think about the different materials that you might need to use.

Understanding the World

Go outside for a walk, can you see some different signs of Spring?

What can you see, hear and touch? Take some photographs of what you can see and bring them into Nursery to share with the class.
