There is an expectation that children are in school everyday!

Education is not optional! There is an expectation that children are in school everyday!

Message from Mrs Crompton

Happy new year to all our families and welcome back to school! The children have settled brilliantly back into school and have been working hard in lessons. Reception have already been on a local walk linked to their English work and on Tuesday year 2 had a visit from the local fire service as an introduction to their new history topic. Year 1 have plans to go on a local trip this half term as they start their Brilliant Blackburn geography topic and Nursery have started learning all about animals.

We are working really hard to improve our attendance/lateness and really need your help in ensuring your child in school every day, on time. Every minute of lost learning adds up and it is really important children don't fall behind their class mates. Every day matters. If you aren't sure your child is well enough for school, bring them - most of the time children forget or improve once they are having fun with their friends. If they really are poorly we will ring you straight away to come and collect. Working together we can improve our attendance!

Finally, please can we kindly ask that children wear their black school shoes to school. We have seen lots of trainers and different coloured shoes which do not fit with our uniform policy. Thank you for your co-operation with this.
