

Shadsworth Infant School Newsletter
Friday 8th September 2023

Message from Mrs Crompton

Welcome back to school!!! It has been brilliant to see all the children back at school this week looking very smart in their new uniforms and shoes. Thankyou for ensuring your children look smart and come into their school with pride and a sense of belonging. Our continued drive for everyone attending school everyday continues this year - please make sure children are here every day, if you aren't sure if children are too ill or not, please send them and quite often children work it off and soon forget they weren't feeling great - if they get worse, we will ring you and send them home. Always ring to chat through if you aren't sure.

We have been doing lots of work on '100 Years of Disney' this week - ask your children what film their class has been working on, and what artwork they have been completing with our special artist in residence. Year 2 had a great teambuilding day at Bibby's Farm where they did grass sledging, caving, axe throwing (inflatable not the real thing!) and climbing tower - make sure you have lots of conversations about how they did!

We are bringing back the reading book!! Home readers are back!! We tried Ebooks which are still available but the feedback from everyone was 'we need a book!' During the Infant school, the most important skill your child will learn is to read. This will ensure your child can access their curriculum and achieve in their learning. If they can't read, children fall behind and then it is very difficult to access their curriculum every day in the classroom. We will be holding reading workshops to help us all work together to get the best possible outcomes for your children. We will teach the children, and they have read the book 3 times before it comes home. So home reading will be a celebration of how clever your child is, what a superstar they are and showing off by reading to anyone and everyone. We know that the children who practice at home, achieve more highly throughout their school life and the more they practice the better they get! Let's all start together now!

Education is not optional! There is an expectation that children are in school everyday!

Shadsworth Stars

There are no Shadsworth Stars to announce on today's Newsletter due to the new academic year starting.

This week's Shadsworth Stars will be announced on next weeks Newsletter and invites will be sent out to parents/carers today.

Weekly Attendance

Registers are taken at 8.50am and children will be marked late after 9.00am. If you arrive to school after 9.00am, please make sure you report to the **School Office** with **your child** to ensure they receive their mark.

Class	%	Late
