OUR LEARNING

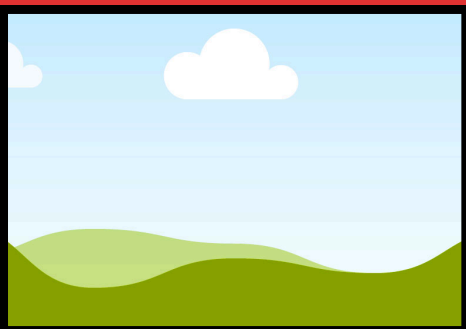

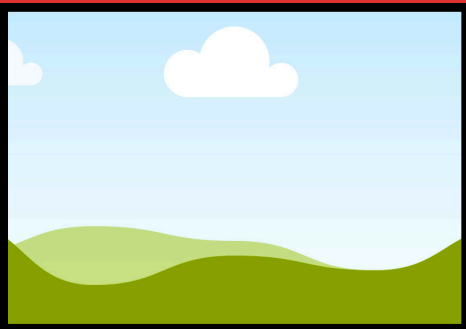

NURSERY

Carle Class have had a great first week back! Our Rising 3 Nursery children from last year and some of our new starters have settled in beautifully and have enjoyed exploring our classroom with their friends. We have also met some of our new starters during home visits. We look forward to the rest of the children joining our class next week!

MURPHY/ DONALDSON

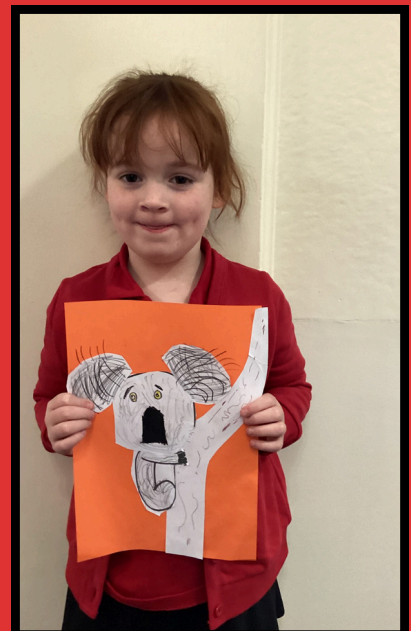

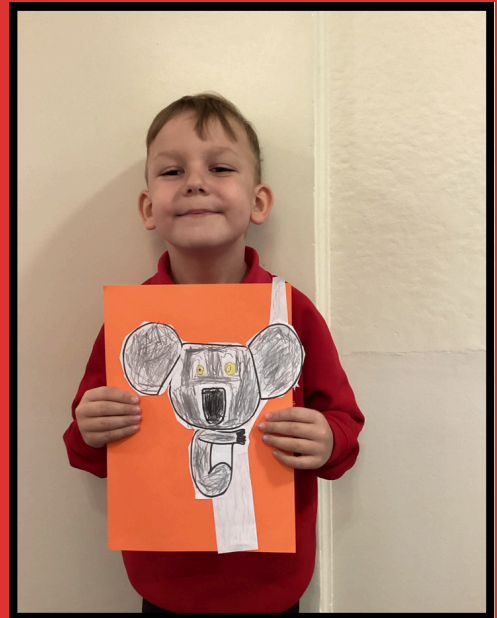

We are allowing our children to settle in on their first day in school - exciting things coming next week please keep an eye out!

OUR LEARNING

BRIGHT

Bright Class have made a fantastic start to the new school year trying really hard to impress with all their hard work. We have been learning about the author Rachel Bright who our class is named after and been making artwork from some of her stories... Like 'The Koala who could' which is all about trying new things.

OUR LEARNING

JEFFERS

Jeffers class have had a super start to the new school year!

We began by introducing our class author - Oliver Jeffers! We read lots of books written by our author and played some games using ideas from the stories.

Yesterday we had an exciting day out to Bibbys Farm. The children showed bravery, resilience and worked as a team.

PERCIVAL

Percival class have had a fantastic start to the new school year!

On Wednesday we looked at our class author Tom Percival and read some of his books. We enjoyed talking about how the characters felt and what we could do if we were them. We had a super day out at Bibbys Farm and I was so proud of how the children showed resilience when given new activities they had never tried.

OUR LEARNING

BRIDGE CENTRE

This week, we have been very busy in the Bridge, welcoming back (not so) old and new faces.

We most definitely hit the ground running, with classroom changes and we dived straight into our lessons, as though we had never been away!

Well done Bridge pupils, you are a credit to us, keep up this good start!

RAINBOW ROOM

Rainbow room children have had a fantastic start to the new school year. They have been busy making new friends and getting back into routine. The children have enjoyed new activities and have enjoyed outdoor play.

What's happening in the news this week?

Let's have a look at this week's poster!

1st - 7th September 2025

Democracy

Parents and children were asked to name things around them they find incredible. We can all share the things we like. What we like can be different from what our friends like.

Protected Characteristics

Lots of people were included in the survey. Having a religion or belief can impact what people find awe-inspiring. We should never be treated unfairly because of our religion or belief.
