

SHADSWORTH INFANT SCHOOL NEWSLETTER

Friday 12th June 2026

MRS CROMPTON'S MESSAGE

As we thought, Year 1 did an amazing job of their Phonics Screening Check this week. Well done to all the children who were determined and keen to try their best. We've been really impressed with our families commitment to supporting our children this year, so many families practising their letter sounds at home. Well done Mums and Dads!!

Our Choir did an amazing job performing at the Empire Theatre on Tuesday. A total of 10 schools performed in a 'Festival of Friendship'. It was a great day and I was a very proud Headteacher. The children were brilliant on the stage, in front of a full theatre, singing their hearts out with big smiles on their faces! Definitely a 'tear in my eye' moment. We will be performing the same songs at 'Raising the Roof' in the Cathedral at the end of June, parents don't forget to get your tickets, it'll be a great evening.

UPCOMING EVENTS

Monday 15th and 22nd June 2026

OUR LEARNING

NURSERY

Nursery have enjoyed sharing the book 'The Colour Monster Goes to School' this week. We have been talking about changes and going to school and how this might make us feel. In Maths, we have been ordering numbers 1-5 and solving problems using numbers up to 5. With an adult, we have been practising using our scissor skills, cutting out different 2d shapes and talking about them. We also enjoyed a rhythm and rhyme session with Mr. Brown! What a busy week!

MURPHY

Preparations are underway for our rearranged sports day. Children have been practicing key skills to give them the best competitive edge! The children have been working hard identifying odd and even numbers - they spotted that it was a pattern, odd, even, odd, even etc! In literacy, we have been thinking about what it might feel like to be lost or lose our favourite toy, just like Sofia did! In the afternoons, we have been thinking about what special places are important in different religions and what weather is like in different parts of the world.

OUR LEARNING

DONALDSON

Donaldson Class have had a fun and busy week of learning. In Literacy, we enjoyed writing invitations for our upcoming picnic and worked hard to include all the important information. In Maths, we have been learning about sharing and exploring odd and even numbers. In Knowledge and Understanding of the World, we have been looking at different countries around the world and comparing their weather, discovering how climates can vary from place to place.

BRIGHT

In Bright class this week the children have been doing lots of writing about what might have happened to Goldilocks after she ran away from the Three Bears' house. This has linked in with our PSHE work about changes as we grow up. The children have continued to enjoy our art topic and made some fantastic black and white 3D sculptures. There is a lot of excitement mounting for our trip to Blackpool Zoo next week.

OUR LEARNING

JEFFERS

Jeffers class have met a new character in the story - 'The way back home'. We used adjectives to describe the alien character and designed our own alien who was the opposite.

In Art we have been exploring texture, using different materials to inspire us. We then used crayons and different techniques to create art work that looked like the texture of the material.

In maths, we have continued with fractions - we know that quarters are split into four equal parts.

PERCIVAL

IN PERCIVAL CLASS THIS WEEK WE HAD A VISIT FROM A FRIENDLY GIANT WHO LEFT HIS DIRTY FOOTPRINT AND A LETTER! WHEN WE STARTED READING OUR NEW ENGLISH TEXT WE REALISED WHO IT MIGHT HAVE BEEN. IN MATHS WE HAVE BEEN PRACTICING OUR ARITHMETIC SKILLS. IN SCIENCE WE HAVE BEEN FINDING OUT ABOUT ANIMALS AND THEIR OFFSPRING AND WHAT THEY NEED TO SURVIVE.

OUR LEARNING

BRIDGE CENTRE

This week in The Bridge Centre, we have mostly had a busy week of learning. In English, we enjoyed creating descriptive characters and settings to accompany our poem of "The Black Hat". In Maths, we have been learning about Prime, Square and Cubed numbers and exploring ways of finding them out. In our Sensory Garden, we have been carrying on digging our path and pulling home-grown Radish from our raised beds and in Forest School, we have been lighting a fire to cook popcorn on! Survival skills in style!

RAINBOW ROOM

This week in Rainbow room we have been recapping on the signs for the weather such as sun, rain, wind and snow. We have also been practising counting through our number songs. We have been making shadows using a torch and objects/our hands. In creative, we have been using different media and techniques to make rainbows. We have also been practising regulating our emotions through sensory massage and finding different tools that helps us to settle.

**COME ON
ENGLAND!!!!**

**WHAT IS HAPPENING AT SHADSWORTH
INFANT SCHOOL FOR THE....**

WORLD CUP

2026
