

Autumn 1 Homework Grid!

Jeffers and Percival

Design and make!

Plan and make a sandwich with your favourite filling. Make a list of what you will need and the verbs you will do.

Science

Test how waterproof different materials are. You could test them in the bath or whilst out in the rain!

Creative writing

Write a description about your favourite cartoon/film character. Consider the way they look, their features and their personality.

Working together

Take a walk with your adult and discuss the materials that you can see. What have they been used for? What do they feel like? Why have they been used?

Maths

Practise your number bonds to 10:

- | | |
|--------------|---------------|
| 1 + ___ = 10 | 6 + ___ = 10 |
| 2 + ___ = 10 | 7 + ___ = 10 |
| 3 + ___ = 10 | 8 + ___ = 10 |
| 4 + ___ = 10 | 9 + ___ = 10 |
| 5 + ___ = 10 | 10 + ___ = 10 |

Geography

Draw a picture of your school - talk to your adult about the route that you take to school.
