MRS VAREY'S MESSAGE

WEEKLY MESSAGE

A huge thank you to everyone who supported our recent fundraising efforts for the Poppy Appeal, the children have been wearing their poppies with pride and were very respectful during the 2 minute silence. This week, the children also took part in Odd Sock Day to celebrate what makes each of us unique. By wearing mismatched socks, we embraced our differences and promoted kindness. It was fantastic to see so many bright and creative socks around school! Today the school is full of yellow and spots as we mark Children in Need, thank you for any donations. Finally I just want to give a shout out to class 1J who all received the headteacher award this week for their outstanding behaviour on their trip to the museum. The staff member who led the session said they were the best class she had ever had in the museum -amazing!

UPCOMING EVENTS

Friday 21st November 2025

NON-UNIFORM in exchange for a **FULL BOTTLE for the Bottle Tombola Stall**

Tuesday 25th November 2025

OUR LEARNING

NURSERY

What a fantastic week we have had in Nursery! We have really enjoyed nursery rhyme week, especially when we used the musical instruments to play along to the rhythm of the songs. We also visited the school library and shared some of our favourite rhymes and stories and have taken part in lots of activities for Remembrance Day and Children in Need.

MURPHY

What a busy week, with odd socks day, Children in Need and Nursery Rhyme week – Murphy class have been so involved in their learning. Our class story – The Three Little Pigs has got the children thinking about construction. In maths – we have been focussing on 1, 2 & 3 – recognising, making and forming these numbers.

OUR LEARNING

DONALDSON

What a lovely week Donaldson class have had. We have loved every minute of celebrating World Nursery Rhyme Week and have taken part in some exciting activities (please have a look on our facebook page to see pictures). In Math, the children have been learning all about 1 more and 1 less. In phonics, the children have learnt v, w, x and y and they are continuing to work on their reading skills by segmenting and blending CVC words together.

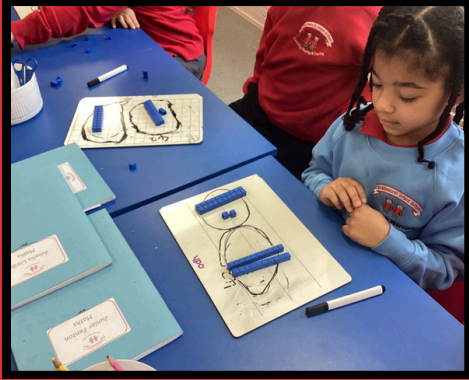

BRIGHT

Bright Class have had lots going on this week. On Tuesday we visited the museum and the children loved learning about and playing with old toys. We had odd socks day on Wednesday and celebrated differences. Friday has seen us wearing yellow in support of Children in Need.

OUR LEARNING

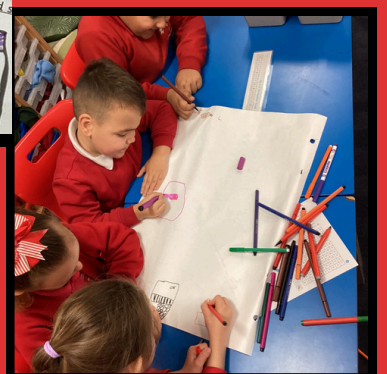

JEFFERS

Jeffers Class started the week learning about our reigning monarch – King Charles III. On Tuesday we got out our torches and read for fun under the table in the dark! On 'Odd Socks Day' we thought about what makes us special and designed our very own pair of odd socks.

PERCIVAL

In Percival Class this week we enjoyed taking part in Michael Rosen day, creating our own version of 'We're Going on a Food Hunt' We had some fabulous imaginative ideas and performed them with actions. We had a super discussion about what makes us unique on Odd Socks Day

OUR LEARNING

BRIDGE CENTRE

This week in The Bridge Centre, we have been thinking about the sacrifices made by the men and women, in service of our country, so we could be free to live without fear, in wars and conflicts all over the world. Jamie painted the fantastic canvas of The Unknown Soldier.

We have also been working hard in our core subjects each morning, including 2 pupils who have started preparing for their SATS already and our fantastic weekly PE lessons with Sensei Owen, who is brought to school by Hunter, the Therapy Dog.

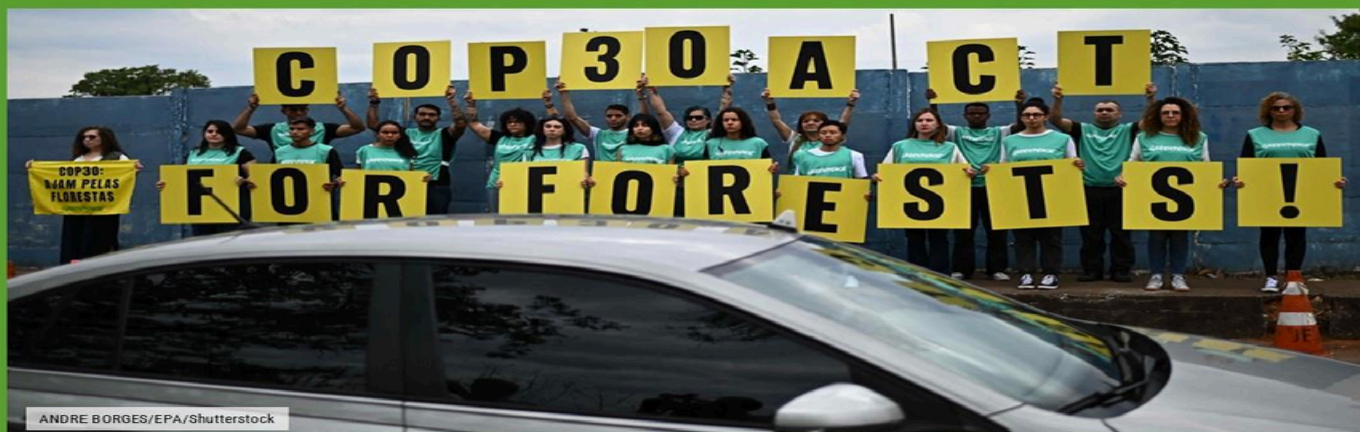

RAINBOW ROOM

This week in Rainbow Room we have been learning about Remembrance Day and why it is a special day. We know that poppies are significant in remembering all the brave soldiers so we made poppy displays in class. We made a wreath and a window display. We have also been looking at new nursery rhymes and new colours in maths.

What's happening in the news this week?

Let's have a look at this week's poster!

10th - 16th November 2025

**British
Values**

Rule of Law

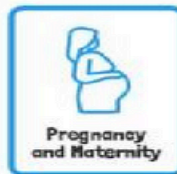

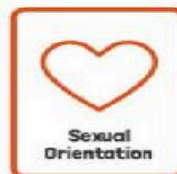

At COP30, world leaders will agree on rules for countries to follow to protect the planet. Fair rules help nations work together to solve problems and care for the world we share.
