

LEADING PARENT PARTNERSHIP AWARD

Summer Newsletter

June 2019

As many of you will already be aware we have embarked on a national award called the Leading Parent Partnership Award (LPPA). We are due to be assessed for the award in July. Here is an update on our successes since embarking on the award and details of any upcoming events. Thank you for your continued support in helping us to build a strong home/ school partnership.

Some of our successes since embarking on the award include :

- the introduction of our school Facebook page which has enabled us to keep parents up to speed with the latest news, reminders of events and to share photographs of exciting activities, events and trips. We currently have 280 followers of our school page!
- the introduction of family friendly homework which has been well-received and the quality of homework sent in from home has been wonderful.
- extending the EYFS Stay & Play sessions into key stage 1 Stay & Learn sessions every half term. These sessions have provided positive opportunities for our children and parents to learn together.
- successful celebration events and workshops being held in school which promote parent partnership such as Easter crafts, Family First Aid and phonics workshop.

Some of the fantastic feedback from our parents

95% of parents strongly agree or agree that their child receives appropriate homework for their age.

95% of parents find our school welcoming.

100% would recommend the Family First Aid workshop to parents.

Parents who are new to our school during the year find our induction process "good".

All parents who were asked rated the transition procedures from nursery to reception "very good".

Some wonderful photographs of our parents and children learning together in our Stay & Play and Stay & Learn sessions.
