

Summer 1 Homework Grid

People Who Helps Us!

Who helps us?

Communication, Language and Literacy

Talk to a grown up about different jobs and the different uniforms that they have to wear. Can you describe them?
Can you take on a role in your play?

Personal, Social and Emotional

Can you help a grown up with some jobs around the house?
Play a turn-taking game with the people who live in your house.

Mark Making

Can you draw a picture of what you want to be when you grow up?
Which colours do you need to use?
Think about some different jobs- What sound does the name of the job begin with?
Can you write this?

Maths

Look around your house-
Can you put your teddy in front of a chair?
Can you put your teddy under the table?
Can you find a 2D shape?

Creative

Can you build a model of a police/ fire station with a grown up?
Think about the different materials that you might need to use.

Understanding the World

Go outside for a walk, take some photographs of what you can see and bring them into Nursery to share with the class.
